

# Energy Fair Bike Route

From Stevens Point to the Renewable Energy & Sustainable Living Fair

The Energy Fair bike route is roughly 10 miles. \* Due to construction on Hwy 10, this is the 2007 recommended route (with no Hwy 10 crossing). The terrain is about 80 percent flat, and 20 percent rolling hills).

## Complete Directions:

- Take a left on Maple Bluff Road (by Target).
- Turn right on Golla Road. Follow Golla to Brilowski.
- Turn left of Brilowski Rd.
- Turn right on Rainbow Drive (which becomes 9th Street).
- Ride straight east for a few miles.
- Turn right on Hwy K. Turn left on Hwy Q (Rolling Hills Road).
- Turn right on Hwy QQ.
- Turn right on Deer Road.
- Proceed to Energy Fair bike entrance.

*There will be bike parking available at the Renewable Energy and Sustainable Living Fair, thanks to Rudy Rack of Plover and the Bicycle Federation of Wisconsin.*
