**Food Vending Dates and Hours:** June 26-28, 2020
- Thursday, June 25 (Vendor check-in and setup only) 9:00 a.m. – 6:00 p.m.
- Friday, June 26 9:00 a.m. – 7:00 p.m.
- Saturday, June 27 9:00 a.m. – 7:00 p.m.
- Sunday, June 28 9:00 a.m. – 4:00 p.m.

**Fair Dates and Hours**
- Friday, June 26 9:00 a.m. – 11:00 p.m.
- Saturday, June 27 9:00 a.m. – 11:00 p.m.
- Sunday, June 28 9:00 a.m. – 4:00 p.m.

Important Addresses

**Exhibitor Check-in**
7558 Deer Road
Custer, WI 54423
*Look for Roman Pliska Lane once on Deer Road

**Shipping Address**
Label should read:
*Your Company Name, booth number, # of boxes*
*c/o The Energy Fair, MREA*
7558 Deer Rd.
Custer, WI 54423

**Back 40 Campground**
1215 County Road QQ
Custer, WI 54423

**Food Vendor Criteria**
All organizations are eligible providing they do not compromise the safety or mission of the Midwest Renewable Energy Association (MREA). The Midwest Renewable Energy Association (MREA) Board of Directors reserves the right to accept or reject any booths and/or advertisements.

All food vendors must meet each of the following criteria:
- Food must be purchased from local, sustainable, or organic farmers.
- Foods may not contain the following:
  - High Fructose Corn Syrup
  - Genetically Modified Organism (GMO)
  - MSG
  - Nitrites and Nitrates
  - Partially Hydrogenated Oils
Artificial Colors/Sweeteners

- Plastic water bottles may not be used or sold
- Supplies must be compostable and can be purchased from MREA or another source.

Payment
Once a registration form or exhibitor request has been submitted, at least a 50% non-refundable deposit must be submitted within 10 days. If paying by check, please postmark your check within 10 days of registration.

NEW: Full payment MUST be received by February 15, 2020 to receive the early bird rate. If payment has not been received, balance due will be updated to the regular rate. **No exceptions will be made.**

NEW: Any exhibitor who has not paid by Thursday, June 25, 2020 will not be allowed to setup their display.

Insurance
Exhibitors need to provide a Certificate of Insurance giving proof of liability insurance. $1 million liability insurance is suggested. Please name MREA as the certificate holder. MREA assumes no responsibility for any accident, injury, or mishap which may occur with exhibitors, their employees, and/or customers.

Please send your certificate by mail or email to Amiee Wetmore at amieew@midwestrenew.org or to the address below:

MREA, Attn: Amiee Wetmore
7558 Deer Road
Custer, WI 54423

Vending Space
All food vendor booths are outdoors and do not include shelter or floor covering. Food Vendors may bring, rent, or construct their own shelter (must be frame tents only and must fit within 10’10’ exhibit area, more than one exhibit area can be purchased).

MREA Preferred Tent Rental Company Per Exclusivity Agreement:
Charnecke Tents 715-341-6886

* Food Vendors must notify MREA if Charnecke will be setting up a tent in your exhibit area.

Setup
Setup begins at 9:00 a.m. on Thursday, June 25 unless another time has been arranged with MREA staff. Staff may work with each vendor as the event approaches to set up an arrival schedule for ease of load in. All food vendors must be setup by 6:00 p.m. on Thursday, June 25. **All food vendors must report to MREA exhibitor check-ins to verify space assignments and pick up exhibitor badges prior to booth setup.**

NEW: Your electricity will NOT be setup until you have met with a member of the MREA Electrical Team. Please go to exhibitor check-in to request a representative to meet with you at your vending space. Do not plug into any outlets until you have received approval.

During setup vehicles can pull into the vending area to promptly unload and setup. Vehicles must then be moved to the parking lot unless the setup is a self-contained vehicle. **In order to avoid congestion please move vehicles as soon as possible.** No vehicles will be permitted in the display area after 6:00 p.m. on Thursday, June 25. After 6:00 p.m. your check-in materials will be moved to Will-Call on the East end of the fairgrounds by the fair entrance.
Parking
Food Vendors are not allowed to park their trailers in the main parking area during The Energy Fair. There is a designated long vehicle and trailer parking area at the far East side of the parking lot. Food Vendors that do not comply will run the risk of having their vehicles towed to the correct area without notice.

Food Vendors must park in the general parking lot at all times unless setting up or taking down their booth(s). If your booth needs to be re-stocked throughout The Energy Fair vehicles may be within the display area only from 7:00 a.m. to 8:45 a.m. each day. Hand pulled wagons may be utilized for 30 minutes at a time and can be borrowed from the Volunteer Tent on the East end of the fairgrounds near the entrance. Once 30 minutes has passed, if the wagon is not returned the food vendor will incur a $5 charge every 30 minutes beyond the initial time allotted.

If you own or can source a hand pulled wagon, feel free to bring it for your personal use.

Takedown
Food Vendor setups may be removed after 4:00 p.m. on Sunday, June 28. No vendor can start dismantling his or her display before 4:00 p.m. All exhibits must be removed from the fairgrounds by 9:00 a.m., Monday, June 29. Any articles or materials not removed from the grounds by 9:01 a.m. will be disposed of by the MREA. The vendor will be billed for all disposal costs.

If a food vendor runs out of food and is unable to vend any longer, please notify an MREA staff member of your situation.

Electricity
All electricity needs to be ordered in advance through the MREA. There is a $50 charge per 300-watt hook up. Vendors must supply their own extension cords (must be of the three-wire #14 ground, hard-usage type). No 2-wire extension wiring will be allowed. There is a limited number of booth spaces with electricity available. If you need electricity, please be sure that you indicated your electrical needs on your vendor application. If you did not, please contact the Custer office at 715-592-6595.

NEW: Your electricity will NOT be setup until you have met with a member of the MREA Electrical Team. Please go to exhibitor check-in to request a representative to meet with you at your vending space. Do not plug into any outlets until you have received approval.

Refrigeration & Ice
Refrigeration needs must be ordered in advance through the MREA. There is a $40 charge. If you need refrigeration, please be sure that you indicated your needs on your vendor application. If you did not, please contact the Custer office at 715-592-6595. If refrigeration needs are not communicated in advance, cooler space may not be available during the event.

Ice may be available for purchase on-site at the MREA Café or Marketplace. Please let MREA know in advance how much ice you would like to purchase so we can make sure to have enough available.

Compostables/ Biodegradable Serve Ware
If compostable/biodegradable serve ware is purchased through the MREA and not all is used, MREA does not accept returns, grant refunds, or credits. No exceptions.

Shipping to The Energy Fair
Materials shipped to The Energy Fair MAY NOT arrive before Tuesday, June 23. Please make sure each box is marked with your company name, booth number, and total number of boxes (example: 1 of 5, 2 of 5 etc.)
Shipments should be sent to:
Your Company Name, booth number, # of boxes
c/o The Energy Fair
ReNew the Earth Institute
7558 Deer Rd.
Custer, WI 54423

Shipping from The Energy Fair
YOU must make arrangements with the shipper. Please label all boxes (include your business name, contact person for the shipment, and complete shipping address). Package each box for the shipment. If it isn’t packed the shipper may not take the item. If you can carry your shipment, please move it to the White tent (southwest workshop tent) upon leaving The Energy Fair. If you need forklift service, leave your package at your booth and notify a staff member that your package is ready for moving to the White shipment tent.

Please let your shipper know that the pickup must occur on:
Monday, June 29 between 9:00 a.m. and 2:00 p.m.

Exhibitors will be billed for storage costs for packages left after June 29.

Food Vendor Badges
Each food vendor will receive four exhibitor badges, which will give four people access to the Thursday evening Networking Dinner and to The Energy Fair each day. Additional badges are available for purchase for $35 each, contact the MREA office at 715-592-6595 to order. If you have rotating staff please remember that you are allotted only four exhibitor badges, if the number of badges needed exceeds four, we will invoice your company for additional badges after The Fair.

If a new staff person needs to pick up their badge for their shift, you will be responsible for getting the extra badge to the Will Call tent near the front entrance for the new staff person to pick up. Badges not in use may stay at Will Call throughout the weekend for new arrival pick up. If this is not done, we will not allow new staff to enter The Fair without an exhibitor badge.

Internet
Internet access is currently being evaluated; access details will be available closer to the event.

Refunds
A 50% refund will be issued to a vendor if a written cancellation request is submitted to the MREA by March 15, 2020. Refunds will not be issued after that date. No exceptions or credits will be made. Those who register after this date will have 10 business days after they receive their confirmation to cancel and still receive a 50% refund. No exceptions will be made.

Multilevel Marketing
Multilevel marketing recruitment practices are not allowed at The Energy Fair. A multilevel marketer is one that recruits other dealers to sell their product. Recruiting other dealers is not allowed at The Energy Fair; selling of product is allowed.

Biomass Fired Demonstrations
All indoor biomass-fired space heating devices must meet Phase II EPA emissions standards in order to be displayed or sold at The Energy Fair. Phase II limits are 4.1 grams/hour for appliances with catalytic combustors, and 7.5 grams/hour for appliances without catalytic combustors. Independent testing
results must be provided for each device in order for it to be demonstrated or displayed at The Energy Fair.

All outdoor wood fired boilers must meet EPA Phase II White Tag Emission Standards.

Burning for demonstration purposes may be allowed at The Energy Fair per approval from the Town of Stockton Fire Chief. If interested, please contact Jordan at jordanp@midwestrenew.org.

Noise Policy
Sound devices are subject to approval of the MREA and if allowed, must be controlled so as not to interfere with other exhibitors, food vendors, or workshop presentations. The privilege for use of such sound devices may be revoked at any time by fair management. The Energy Fair does not allow food vendors to run generators or make noise in their vending space that will interfere with other vendors.

Event Security
The Energy Fair will provide overnight security. However, to maintain a secure event and protect exhibitor and food vendor merchandise, no exhibitors or food vendors will be let into any exhibit areas or food vending areas before official move-in times or allowed to stay in the exhibit hall or food vending areas after The Energy Fair closes on Friday or Saturday.

Please note: FOOD VENDORS ARE RESPONSIBLE FOR THE SECURITY OF ITEMS IN THEIR SPACE.

Networking Dinner
There will be a Networking Dinner held on Thursday, June 25 at 6:30 p.m. open to food vendors. Please be sure to wear your exhibitor badges to the event, as you will not be allowed in without your exhibitor badge. If you have additional employees that would like to attend, you may purchase tickets at the event or in advance on the vendor application. If you would like to purchase tickets but did not indicate as such on your vendor application, please contact the Custer office at 715-592-6595.

Rainsbows End Children’s Area
This area is NOT a daycare. An adult must accompany children at all times. This area will be closely monitored so that children are not left unattended.

Waste

Waste Reduction
Food vendors are responsible for leaving their vending space clean and free of trash or other materials. Booths will be inspected after move out is complete. If the booth is not clean and free of materials (including food waste), with the exception of freight packaged and labeled for shipment, fines will be imposed.

We encourage food vendors to evaluate what they bring to the event based on if it is recyclable, reusable, or waste. Your effort to minimize waste in your booth will assist overall in our goals for ‘minimum footprint exhibiting.’ There will be a storage area on-site where food vendors can store their cardboard and packing materials during The Fair for reuse when packing up their booths. Cardboard and packaging materials should be clearly labeled with booth numbers and company names, and contact information. The location of this area will be determined by move in day. Please also note that The Energy Fair does not allow food vendors to hand out plastic promotional bags.
**Waste Stations – What Goes Where?**

Waste Stations will be set up throughout The Energy Fair for: compost, mixed recycling, and garbage/landfill. There is a dumpster for flattened cardboard located onsite as well.

**Compost**

Energy Fair compost is defined as all food scraps from food vendors or any food you bring into the event (except meat). All food and service ware dispensed at the event must be biodegradable and should go in the compost. Napkins and food-soiled paper should go in the compost as well.

**Recyclable Materials and Paper Items**

## Rules & Regulations for the 2020 Energy Fair

A. Once a registration form has been submitted, at least a 50% non-refundable deposit must be submitted within 10 days. If paying by check, please postmark your check within 10 days of registration. Failure to pay or postmark within ten days will result in the cancellation of your registration.

B. **NEW:** Payment MUST be received by February 15, 2020 to receive the early bird rate. If payment has not been received, balance due will be updated to the regular rate.

C. **NEW:** Any exhibitor who has not paid in full by Thursday, June 25, 2020 will not be allowed to setup their display.

D. Cancellations: Vendors must notify Energy Fair management in writing by March 15, 2020 in order to receive a 50% refund. All cancellations received after this date will not receive a refund.

E. No refunds will be given to no-show food vendors.

F. It is mutually understood and agreed that any changes to the terms of this contract are not valid unless they are made in writing and signed by both parties.

G. Food vendors must keep their exhibit space neat and clean, taking every precaution against possible injury to visitors, guests, or employees.

H. NO pets are allowed anywhere on the parking areas, fairgrounds, or campground. Fair management has the right to contact the Portage County animal control office to have animals removed from any area of The Energy Fair.

I. All food vendors will be required to keep their booths open from 9:00 a.m. to 6:00 p.m. Friday and Saturday, and 9:00 a.m. to 4:00 p.m. Sunday. Food vendors may sell until 7:00 p.m. on Friday and Saturday. If Energy Fair management notices any vendor has left before these times, this food vendor may not be invited to setup at future Energy Fairs.

J. Food vendors must have at least one person at their space at all times while The Fair is open to the public.

K. Food vendors must be confined to the assigned space and in NO case may extend to any other part of the grounds.

L. Each food vendor is responsible for the cleanup of his or her exhibit area. If this is not done, clean up charges will be imposed.

M. All packaging material used to ship your products will have a designated storage area at the fairgrounds so that you can re-use the packaging material when shipping back your product. Please utilize this option. The location of this area will be provided at a later date. Please label all packaging that you wish to reclaim. Packaging that is not labeled is available for all food vendors.
to use. If your packaging material is not salvageable after shipment is received at The Energy Fair, please take this material to the recycling/garbage/cardboard area.

N. Sharing food vendor space with another company is not permitted, violators will be asked to leave the fairgrounds.

O. If a food vendor is setup in the wrong space, he or she agrees to move to the correct location at his or her own expense and without protest. Further, he or she agrees to pay any contracted parties for the transfer of any installed equipment or tent, unless the contractor failed to follow his or her instructions.

P. Sound devices are subject to approval of the MREA and if allowed, must be controlled so as not to interfere with other food vendors, exhibitors, or workshops. The privilege for use of such sound devices may be revoked at any time by fair management. The Energy Fair does not allow food vendors to run engines or make noise in their spaces that will interfere with other areas of The Energy Fair.

Q. Neither the MREA nor any officers, board members and/or staff members will be responsible for the safety of the property of food vendors from theft, damages by fire, water, storm, vandalism, or other causes, but will take responsible precautions to protect the food vendors from such loss.

R. If liability or property damage insurance is desired, the food vendor should obtain it. MREA strongly recommends that, in addition to other insurance, food vendors obtain public liability insurance to protect against possible claims arising out of the food vending space and The Energy Fair.

S. Halogen lighting usage for food vendors is not permitted at The Energy Fair.

T. Plastic bags may NOT be given out as promotional items.

U. Smoking is prohibited in exhibits, vending spaces, workshop tents, and buildings.

V. Food vendors may not park in The Energy Fair parking area near the Entrance Gate unless a handicapped window tag is displayed in the vehicle; there is designated public parking area for all food vendor vehicles. Food vendors that do not follow this requirement may run the risk of having their vehicle towed to the appropriate parking area. This rule is non-negotiable.

W. The decision of the MREA Executive Director or his representative(s), in their official capacities, must be accepted as final in any disagreement.

X. The MREA reserves the right to refuse, stop, relocate, or remove from The Energy Fair any food vendor or their representative and/or vending space, performing any act or practice which, in the opinion of MREA, is illegal, objectionable, interferes with the performance of other exhibitors/vendors, creates a health, safety, or fire hazard, or violates any rules stated herein.

Y. All food vendors are expected to conduct themselves in a professional manner and according to the rules of this agreement. Any unruly conduct, refusal to follow rules, or use of foul language to Energy Fair patrons or personnel will be considered grounds for expulsion from the event. Such food vendors will not be invited to return to subsequent holdings of this event.

Z. The MREA provides an opportunity for both food vendors and the public to benefit from the purpose of The Energy Fair. It is our policy to protect the environment and respect all participants in this event. We must insist that food vendors provide the same protection for the environment and respect for all participants including fellow food vendors. MREA retains the right to remove any food vendor and his or her vending space from the event if the food vendor does not comply with all written rules and regulations as stated above.

AA. Food vendors shall comply with those laws, rules and regulations and codes of the state of Wisconsin, Portage County, and of the MREA.
